FOR IMMEDIATE RELEASE

PRESS RELEASE #02-2014

Subject: City of La Habra Graffiti Hotline and Mobile App

**Contact: Robert Ferrier, Assistant to the City Manager
City Manager's Office (562) 383-4010**

Graffiti can have a negative economic impact on property values and local businesses which create a less than desirable image of our community. As part of our continuing effort to keep La Habra clean, we encourage residents and visitors to contact our Graffiti Hotline at 562-383-4220 when graffiti is found in any area throughout the city. A mobile app was created that also allows concerned citizens to streamline communication and share their concerns directly with city staff. Download the "Contact La Habra Mobile" app from the iTunes Store or Android Market and help us keep La Habra beautiful.
