1. Duly noticed joint public hearing to consider the adoption of the Fiscal Year 2019-2020 Municipal Budget and relating resolutions to include 50 percent reductions to Planning Commission and Community Services Commission member stipends; and consider a resolution establishing the Appropriation Limit for Fiscal Year commencing July 1, 2019 and ending June 30, 2020, pursuant to Article XIIIB of the Constitution of the State of California.

Finance Director Shannon reported that the proposed budget balances available resources with expected expenses, addresses the Council’s goals and objectives, provides resources for public safety and other services, and provides for the upkeep and improvement of the City’s infrastructure. He itemized the various funds that make up the $124,737,925 municipal budget. He reported that City Council reviewed the proposed Fiscal Year 2019-2020 budget at the City Council Meeting held on Monday, June 3, 2019, where staff was directed to restore two part-time City Hall receptionist positions that were proposed to be eliminated, and to implement the following budget cuts, totaling $31,600, to fund the restoration of the two receptionist positions:

1) Eliminate the City’s membership in the Association of California Cities of Orange County of $14,500.
2) Reduction of Planning Commissioners Stipends by 50 percent; from $100 per month to $50 per month of $3,000.
3) Reduction of Community Services Commissioners Stipends by 50 percent; from $50 per month to $25 per month of $2,100.
4) Either a reduction of the La Habra Chamber of Commerce general support payment, or an
increase the City’s share of advertising revenues from the quarterly “Life in La Habra”
publication, or some combination of both options of $5,000.
5) Reduction of water costs for City buildings, parks and right-of-ways in the amount of $5,000.
6) Reduction of City special event subsidies of $2,000.

Mayor/Director Gomez opened the public hearing at 6:44 p.m.

Jenn Lowe, Director of Legislative and External Affairs for the Association of California Cities of
Orange County (ACCOC) spoke in opposition to the proposed elimination of the Association’s
membership from the City’s budget. She noted the ACCOC’s accomplishments and various
programs that were available for City staff. She explained that the Board of Directors decides
on the amount of membership fees and explained how the membership fee was calculated.

in opposition to the proposed $5,000 reduction to the Chamber’s general support payment from
the City’s budget. She discussed their reduction in operating expenses and staffing levels from
full-time to part-time, and services the Chamber provides to their members and to the
community. She confirmed the current number of Chamber members; that it had been two
years since there had been an increase in Chamber membership fees; and the amount of the
general support payment the City had previously given the Chamber.

City Manager Sadro clarified that the City gives the Chamber a direct subsidy payment and that
there was also a revenue sharing arrangement with “Life in La Habra,” in addition to the direct
subsidy.
